

PEARL JAM: DARK MATTER WORLD TOUR | PEOPLE FIRST STADIUM | TRANSPORT GUIDE

TRANSPORT GUIDE

Transport options for ticketholders for the Pearl Jam Concert Event are broken down into three categories:

1. Park N Ride Free Event Shuttles
2. Public and Private Vehicle Pick Up and Drop Off
3. Pre-allocated Carparking (**no public carparking available for pre-booking or on the day**)

Based on historical events at the stadium we recommend using our Free Event Shuttle services from various Park N Ride locations on the Gold Coast. These provide the easiest and quickest way to get to and from the event as well as dropping ticket holders off at the shortest walking distance from entry gates.

Ticketholders can use public transport for free on show day – this includes Queensland Rail services, Kinetic Buslines, and G:Link Light Rail. After the event, additional train services will operate from Nerang Station on the Gold Coast to Brisbane line.
